- **My Field 我的领域:** _____
- **Key Conventions 关键惯例:** _____

Chapter 20: Capstone Project Launch

第二十章：顶点项目启动 (Dǐngdiǎn xiàngmù qǐdòng)

Your Goal for This Chapter 本章目标 (Běn zhāng mùbiāo): To Synthesise all the skills you have learned this year by proposing, planning, and initiating your final capstone project. This is your chance to demonstrate mastery as an academic writer and thinker.

综合你今年学到的所有技能，提出、规划并启动你的最终顶点项目。这是你展示作为学术作家和思想家掌握能力的机会。

Lesson 20.1: What is a Capstone?

第一课：什么是顶点项目？(Shénme shì dǐngdiǎn xiàngmù?)

Part 1: The Culminating Experience

巅峰体验 (Diānfēng tiyàn)

A **capstone project 顶点项目** is a multifaceted assignment that serves as a culminating academic and intellectual experience. It is not just a longer essay; it is a demonstration of your comprehensive skills:

顶点项目是一个多方面的任务，是学术和智力经验的巅峰。它不仅仅是一篇更长的文章；它是你综合技能的展示：

- **Research 研究:** Formulating a question, finding and evaluating sources.
提出问题，寻找和评估资源。
- **Analysis 分析:** Synthesizing information and applying disciplinary methods.
综合信息并应用学科方法。
- **Argumentation 论证:** Building a complex, sustained argument.
构建一个复杂的、持续的论证。
- **Writing 写作:** Producing a substantial, polished piece of academic writing.
产出实质性的、精美的学术写作。

Think of it as your academic masterpiece—the project that proves you are ready for the next level.
将其视为你的学术杰作——证明你已为下一阶段做好准备的项目。

Part 2: Choosing Your Path

选择你的路径 (Xuǎnzé nǐ de lùjīng)

You will typically choose one of two tracks for your capstone:
你通常将为你的顶点项目选择以下两种路径之一：

1. **The Research Track 研究路径:** You conduct deep research on a specific question and write a long-form essay (e.g., 3000-5000 words) that includes a full literature review, original analysis, and a sophisticated argument.
你对一个具体问题进行深入研究，并写一篇长文（例如：3000-5000词），包括完整的文献综述、原创分析和复杂的论证。
2. **The Applied Track 应用路径:** You apply your skills to a real-world problem. This could involve creating a portfolio, designing a curriculum, writing a business plan, or conducting a community-based project, accompanied by a reflective essay explaining your process and choices.
你将技能应用于现实世界的问题。这可能涉及创建作品集、设计课程、撰写商业计划或进行基于社区的项目，并附上一篇解释你的过程和选择的反思性文章。

Lesson 20.2: The Project Proposal

第二课：项目提案 (Xiàngmù tí'àn)

Your first formal step is to write a proposal. This is your plan and your contract for the project.
你的第一个正式步骤是写一份提案。这是你的计划和项目合同。

Part 1: Components of a Proposal

提案的组成部分 (Tí'àn de zǔchéng bùfèn)

A strong proposal includes the following elements. Use this as a checklist.
一个强有力的提案包含以下要素。将其用作检查清单。

Component 组成部分	Description 描述	Example Question to Answer 需要回答的示例问题
1. Working Title 暂定标题	A clear, descriptive title for your project.	Does the title clearly signal my topic and approach?
2. Research Question 研究问题	The central question your project will answer.	Is my question focused, complex, and researchable?
3. Rationale 立项理由	Why is this question important and interesting? (The "So What?")	Why should anyone care about the answer to my question?
4. Literature Review 文献综述	A brief summary of the key sources and the gap your project will fill.	What is already known, and what will my project add?
5. Methodology 方法论	How you will conduct your research or execute your project.	What specific steps will I take to answer my question?
6. Tentative Outline 初步提纲	A basic structure for your final paper or project.	How will I organize my ideas and evidence?
7. Timeline 时间线	A realistic schedule for completing each stage of the	Is my plan feasible given the deadline?

Component 组成部分	Description 描述	Example Question to Answer 需要回答的示例问题
	project.	
8. Bibliography 参考文献	A preliminary list of 5-10 key sources you will use.	Have I found credible, relevant sources to build on?

Part 2: Drafting Your Research Question

起草你的研究问题 (Qǐcǎo nǐ de yánjiū wèntí)

Your research question is the engine of your entire project. Use the "Question Funnel" from Chapter 3 to refine it.
你的研究问题是你整个项目的引擎。使用第三章的“问题漏斗”来完善它。

Broad Topic 广泛主题: Artificial Intelligence in Education
教育中的人工智能

Narrowed Topic 缩小主题: AI tools for helping ESL students with writing
帮助ESL学生写作的AI工具

Specific Research Question 具体研究问题: "To what extent can AI grammar checkers like Grammarly and Quillbot improve the writing fluency and accuracy of intermediate-level ESL students, and what are the potential limitations of these tools in an academic context?"
“像Grammarly和Quillbot这样的AI语法检查器能在多大程度上提高中级ESL学生的写作流利度和准确性，以及这些工具在学术环境中的潜在局限性是什么？”

This question is **focused** (on specific tools and a specific group), **complex** (asks "to what extent" and "what are limitations"), and **researchable** (can be explored through source analysis or original research).
这个问题**集中**（于特定工具和特定群体）、**复杂**（询问“在多大程度上”和“局限性是什么”）且**可研究**（可以通过资源分析或原创研究进行探索）。

Lesson 20.3: Planning for Success

第三课：为成功做计划 (Wèi chénggōng zuò jìhuà)

Part 1: The Capstone Timeline

顶点项目时间线 (Dǐngdiǎn xiàngmù shíjiānxiàn)

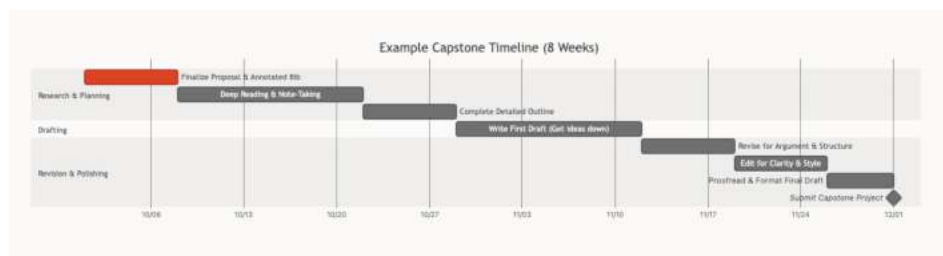

A major project can feel overwhelming. The solution is to break it down into small, manageable steps.
一个大型项目可能让人不知所措。解决方案是将其分解为小的、可管理的步骤。

```

```

Part 2: Using Your Tools

使用你的工具 (Shǐyòng nǐ de gōngjù)

Remember the tools you've mastered. This is when they become essential.

记住你掌握的工具。此时它们变得至关重要。

- **Perplexity/DeepSeek:** For initial exploration and source discovery.
用于初步探索和资源发现。
- **Zotero:** To manage all your sources and generate citations automatically.
管理所有资源并自动生成引文。
- **The Synthesis Matrix:** To organize your notes from your reading and find connections.
组织你的阅读笔记并找到联系。
- **The Master Flowchart & Outlines:** To structure your argument.
构建你的论证结构。
- **Quillbot Grammar Checker:** For a final polish (but never for generating ideas!).
用于最终润色（但绝不用于生成想法！）。

Homework: The Proposal Draft

作业：提案草稿 (Tí'àn cǎogǎo)

Task 1: Choose Your Track and Topic

Decide if you are following the Research Track or the Applied Track. Then, use the space below to brainstorm three possible topics.

决定你是选择研究路径还是应用路径。然后，使用下面的空间进行头脑风暴，想出三个可能的主题。

- **My Track 我的路径:** _____
- **Topic Idea 1 主题想法 1:** _____
- **Topic Idea 2 主题想法 2:** _____
- **Topic Idea 3 主题想法 3:** _____
- **My Chosen Topic 我选择的主题:** _____

Task 2: Draft Your Core Components

For your chosen topic, draft the two most critical parts of your proposal.

为你选择的主题，起草提案中两个最关键的部分。

- **My Research Question 我的研究问题:** _____
- **My Rationale (The "So What?") 我的立项理由（“那又怎样？”）:** _____
